| MESSAGE FROM CMD

It gives me immense pleasure to present Eram Group before you. By God's grace, we have achieved success and recognition beyond expectations. This journey towards the pedestal of success would not have been achieved without the perseverance and sincere efforts of our employees, their families, our business partners, associates and well-wishers. The extreme dedication and unswerving support from the workforce have been instrumental in ushering in success to every venture of Eram Group. This coupled with nothing less than total integrity, has elevated Eram Group to where it is today.

Our emphatic focus on continuous improvements in Technologies, Processes, Practices and our Unflinching quest for quality and safety have proved to be critical success factors over the years.

I would like to reiterate our commitment to bring value to our clients and to sustain the fair and ethical practices in our businesses and express my profound gratitude to our esteemed clients, Eram Management Team, partners, and to all our personnel who unconditionally co-operated and transformed our humble journey to culminate in grand success all these years and look forward to more opportunities to serve you further.

Dr. Siddeek Ahmed
Chairman & Managing Director

| MESSAGE FROM CEO

Welcome to Eram Arabia Limited.

It gives me immense pleasure to present Eram Arabia Limited Industrial Civil & Electro-Mechanical Construction Company of Eram Group before you and solicit your interest in our humble offering. By God's grace, we have achieved success and recognition beyond expectations. This journey of ours towards the pedestal of success would not have been achieved without the contribution of our clients and dedicated employees who have shared our incredible journey thus far.

M. Abdul Razack
Chief Executive Officer

ABOUT ERAM GROUP

Based in Gulf Cooperation Council (GCC) region, Eram Group is a diversified conglomerate mainly operating in Oil & Gas, Power & Utilities, Travel, Food, Healthcare and Automotive sectors.

Eram Group has its global headquarters in AL Khobar (Saudi Arabia) and regional headquarters in Dubai (UAE).

From humble beginnings in the 1990's and under the charismatic leadership of Dr. Siddeek Ahmed, Chairman and Managing Director, Eram Group has now grown to over 40 well-managed companies with strategic locations in Asia, Europe and North America.

Eram Group has also successfully established social enterprises in public sanitation and educational sectors, which has won global acclaim.

ABOUT ERAM ARABIA

Company Name : Eram Arabia Limited
Head Office Location : Al-Khobar Business Gate
Tower A 6th Floor,
P.B No. 4955, Al-khobar-31952
Kingdom of Saudi Arabia

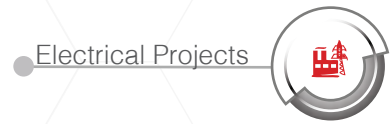

Eram Arabia Limited (formerly known ESS Arabia) is an emerging single source for Construction Contracting activities. Eram Arabia Ltd. sets benchmarks in the industrial support through constant innovations. We render comprehensive solutions exceeding Client expectations.

Our current business activities include professional services related to Civil, HVAC & Electro Mechanical, Electrical, Fire Protection, Piping, Structural, Painting & Coating, Industrial Maintenance, Diagnostic & Asset Management, Logistics and Information Technology.

We provide the above mentioned services to the sectors of Oil & Gas, Power & Water, Industrial Plants, Mining & Metal and Infrastructure Development Projects.

Eram Arabia Ltd. is managed by Engineering & Project management experts in their respective field who ensures client satisfaction and successful completion of client requirements on-time.

IMS POLICY

ERAM ARABIA CO. LIMITED is to strive for excellence in all aspects of our business and to rank highest in earned reputation for meeting our customers' needs and expectations for quality and performance whilst to minimize our impact on the environment and to ensure the safety of employees and others affected by our activities.

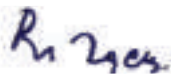

Undertaking our activities moves along with high responsibility, competency and professionalism, so in order to realize our commitment and maintain our leadership position in this business, we've adopted a fully integrated management system; independently verified as operating in accordance with the requirements of ISO 9001 (Quality Management Systems) and ISO 45001 (Occupational Health and Safety Management System)

Our policy is established on the following items:

- ❑ comply with all legal requirements, codes of practice and all other requirements applicable to our activities;
- ❑ We'll establish, implement and maintain a framework to measure our IMS objectives and targets and to ensure the continual improvement of our IMS program and documented Management System.
- ❑ We'll maintain the best possible Health, Safety and Environmental performance, and in order to achieve this Standard, prevent occupational injuries, illnesses and pollution.
- ❑ We believe that our employees are our greatest asset and its part of our policy to ensure that everyone is aware of his vital role for the continual development of their welfare within our company by participating in our periodic scheduled training programs.
- ❑ We expect in return that every employee performs his tasks in a safe and responsible manner and the organization will do its utmost best to provide the necessary means for protection. Employees, stake holders, neighbors and those who work with us are encouraged to participate and discuss concerns in a transparent way and to take part in the continuous improvement programs through the available communication methods.
- ❑ provide all the resources of equipment, trained and competent staff and any other requirements to enable these objectives to be met.

This policy is reviewed periodically to ensure its adequacy and suitability and we'll communicate this policy to all persons working under the control of the organization with the intent that they are made aware of their individual IMS obligations is available to interested parties.

Civil

CIVIL DIVISION

Eram Arabia General Construction Division has built a strong reputation for delivering a quality service, on time and at a competitive price. Eram Arabia has established as a major player in this industry. Our commitment to innovation and excellence invariably result in successfully completed projects for both contractors and clients. We undertake a variety of projects for a wide range of clientele - from small private developments to large Government projects.

Our expertise in handling the service demands of civil engineering includes

- ▣ Construction of Infrastructure Development Projects
- ▣ Power Plants & Substations
- ▣ Structures Required for Oil & Gas Industries.

Our core expertise and proficiency are in the areas of

- ▣ Dewatering & Piling Works
- ▣ Site grading
- ▣ Excavation & Back filling
- ▣ PCC, Reinforcement & Form works
- ▣ Concreting Works
- ▣ RCC/ Brick Drain works
- ▣ Plastering, Painting, Roof treatment works & Roofing works

This division is duly supported by competent Project Managers, and Skilled Supporting Personnel. Eram Arabia Civil Turnkey Projects cover Construction & Project Management as well as Maintenance.

Electrical

ELECTRICAL

Eram Arabia Limited through its Electrical Projects department provide a portfolio of services in all phases of Electrical Construction activities. Our staff is continuously educated and familiar with NEC/ IEC / IEEE / BS / NEMA standards.

Our Expertise & Proficiency are in the areas of

- Supply, Installation, Testing & commissioning of LV & MV Switchgear Panels, GIS, Transformers , Generators , Variable Frequency Drives etc.
- Installation of motors, pumps, barriers, electrical doors and equipment for special applications.
- Supply & Installation of Cable Containment Systems, Paging System, Telephone System, Load Sharing Panel & Synchronizing Panel, lighting, UPS, small power systems and CCTV
- Termination of cables up to 33kV (Heat shrinkable & plug-in type terminations) & Joint up to 36 KV Installation & commissioning of DCS, PLC & SCADA System
- Integration, Installations, Start-Up and Commissioning
- Supply & Installation of Cable Trays, Trunking System, Conduits, Cable (signal, Power, Control & Instrumentation) laying, End Termination and Straight etc Fiber Cable, Communication Cable and Data Cable laying & Splicing.
- Revamping of all makes of transformers including transformer oil filtration with Capacity of 12000 Liters / Hour, for Transformers Upto 400 MVA
- Electrical Equipments erection in Substation up to 400 KV

Our Team

- ▣ Lead team comprising of the Eram Group Management . stationed at our corporate office in Al Khobar
- ▣ A group of well experienced Electrical Engineers and Mechanical Engineers
- ▣ On the job experienced operators and skilled personnel. for carrying out the Electro Mechanical dismantling,testing,serVICing,assembling and surface coating jobs with a high degree of perfection
- ▣ A group of personnel maintaining our documentations and records

Electrical Tests on Transformers

1. Insulation Resistance and Polarization Index Test
2. Winding Resistance Test
3. Transformer Turns Ratio Test

Mechanical

MECHANICAL

Eram Arabia mechanical services consists of HVAC, Specialized fire protection services, and specialized industrial painting and coating services in addition to fabrication and installation of process pipes lines, equipment.

HVAC & INDUSTRIAL MAINTENANCE

Eram Arabia Limited is a leading Electro-Mechanical Contractor Established in 1999. Based in Al Khobar KSA with own HVACduct fabrication facility Eram Arabia has Over 12 years experience in HVAC Systemts Integration from Designing, Duct Manufacturing, Supply, Installation, Testing & Commissioning on turnkey basis.

Executed jobs as per SMACNA standards, European standards, ASHRAE standards Saudi ARAMCO standards, SABIC standards, SIPCHEM standards , SEC standards, Maaden Standards etc.

Eram Arabia Limited Offers its srevicees and solutions to a range of sectors. some of which include Power, Oil &Gas, Process & General Industries, Warehouses and High rise buildings to name a few.

Our Turnkey Services are HVAC System Integration including HVAC System for Clean Room Facility

- Pre-Bid Design and Engineering
- Procurement
- Duct Fabrication & Installation
- Air Balancing Testing and Commissioning
- Maintenance and Support

EPC FIRE PROTECTION AND FIRE ALARM & DETECTION SYSTEMS

Eram Arabia Limited is the parent company of Eram Fire & Safety Systems Company which is a leading turnkey Fire Engineering & Contracting Company Specializing in the field of Fire Protection, Detection, Piping & Structural Solutions on a turnkey basis.

Our fire EPC services include

- ❏ Fire Risk Evaluation
- ❏ System Design & Engineering
(In house availability of licensed Flow calculation software's like Pipenet, Sprink Cad)
- ❏ Quantity Surveying
- ❏ Procurement
- ❏ Mechanical Fabrication & Erection
- ❏ Testing and Commissioning
- ❏ Maintenance and Support

Our MEP Services Include

- ❏ Piping
- ❏ Plumbing & Drainage Construction

Eram Fire & Safety Systems Company offers its solutions to a range of sectors, some of which include, Power Plants (Nuclear, Thermal, Combined Cycle Hydel, Diesel, Coal, Gas) Refineries, Airports, Seaports, Petro chemicals, Oil & Gas, Process & General industries, Warehouses & High rise Buildings to name a few.

Eram Fire & Safety Systems Company record of accomplishment includes over 400 Turnkey Projects across the world in Fire Detection, Protection & Suppression Systems, Piping & structurals.

MAJOR PROJECTS PHOTOS

PAINTING & COATING

Eram Arabia Limited Surface Coating offers a vast range of Surface Coating services to our clients. The company has wide experience in the field of application of high performance Coatings & Linings using Modern Technology . The company is deeply involved in new as well as maintenance coating project of Offshore Structure, Ship Building, Dry Docking, Refineries, Petrochemical, Steel Plant, Power Plants & other Heavy Industries including Vessel based Coating Projects. It has strong Project management team for site survey, coating specification, surface preparation , coating application and inspection.

Eram Arabia Limited Expertise & Proficiency are in the areas of

- ▣ Dry Blasting/Slurry Blasting
- ▣ Hydro Jetting
- ▣ Application of entire range of Coating System including Glassflake Polyester, Fire Proof coating etc
- ▣ Tape Wrapping & Rubber Lining
- ▣ Under Water Coatings
- ▣ Vessel Based Maintenance Painting of Offshore Structures
- ▣ Dry Docking
- ▣ Coating Inspection & Audit
- ▣ Coating Specification for Clients

Eram Arabia Limited handles the demands of almost any industrial painting project and has the ability to provide the most novel, efficient, and safe solutions for any coating projects.

IT SERVICES

Orionedge Consulting is an IT initiative of Eram Group of Companies. With the growing dependence on technology, it is with great enthusiasm and the latest technologies in the industry that Eram has established the firm.

Orionedge Consulting provides IT solutions to meet requirements from varied industries, focusing on increased productivity and reduced costs for customers. We take pride in being the fastest growing SAP partner in the Middle East and Asia. Apart from this, Orionedge is now working towards providing global consultation and solutions across other fields of technology including Branding, Online marketing, Web design, Mobile Application development, E-Commerce and IT infrastructure development. With an in-house team of its own, Orionedge provides reliable, efficient and cost-worthy solutions to complex IT scenarios.

Orionedge Consulting aims to add value through domain expertise, measurable IT governance with proven success in rendering world-class deliverables. With its experience over the years and international partnerships, the firm has been able to build a growing trusted client base. We take unto us the ability to deliver high return-on-investment, while continually monitoring project expenses and benefits.
